“ *I can't believe you used to call me that (Baby Dawn), considering you were only a year older. I am so very grateful to have been able to come back into your life, even for the short time it was. Thank you Michael for loving me and keeping in touch even when life brought us down and for all those stories of our childhood that I would have surely missed had we not connected again. You will always be in my heart and I will miss you so very much!!!! Watch over me man! I still need you!!!!*

*I love you! Dawn Marie*
