“ *I am sad to hear of the passing of Mike. He was a great friend to us at Utah Emergency Management. We spent a lot of time together during the past decade and his kindness, intelligence, and humor got us through a long-term planning process. He was always so great in looking out for us and advising us on how to proceed with our planning and exercises. He was a great guy and I will miss him dearly. Sending you all love and deepest sympathy. ~ Judy Watanabe*
