“ *Our thoughts and prayers are with each of you.  
So, we are glad, not that Modrel is gone  
But that the earth he laughed and lived  
upon was our earth too.  
That we had known, loved and enjoyed him  
And joy had shown.  
Tears over his departure?  
Yes, and yet a smile  
That we had walked with him  
a little while.*

*Love,  
Orieda and family*
