“ I am heartbroken. After just returning from an out-of-town trip, I learned of your passing. It is with deep regret that I was unable to be there for your memorial service. You were often "my other daddy" as I spent so much of my childhood with you and your wonderful family. There are so many great memories of you and your family sharing your time with this little girl.....memories and people that I will always cherish. Say, "Hi" to Gene, Diva, and Clayton for me. I will see you all again some day. To Joyce, Twyla, and my dear friend, Marcia.. you are in my thoughts and prayers.

“ You were always kind and had a nice sense of humor in the hustle and bustle that we had to deal with in our field of automotive repair. You became a very good friend over the many years that I have known you! God Bless you and your family and until we meet again...Godspeed my dear friend, Morris!
