“ Our Aunt Muriel was such a thoughtful, and generous person. She was the first to show up with food and encouragement whenever there was a gathering or a loss. I remember her humor and her discipline. Debbie Karen and Linda were my favorite people and yes I still remember their phone number. I must've driven her crazy in the summer when I was staying in Siloam with my grandparents. She taught me how to peel an apple and potatoes and always let me stay for dinner.
