“ We were sorry to hear of the loss of your mother. We all remember her very well even though it has been a number of years. We were talking on the 4th and all remember her cutting our hair. Mother didn't have any talent in hair cutting so your mother cut our hair for us..by our school pictures we could tell if she had cut it or if by crooked bangs, mother had cut it. We remember her fondly and our prayers are with you all.

“ Jerry & Rose,

We know you've had a long journey as you've cared for your Mom these past several years. You are much to be admired for the loving way you were always there for her when she needed you. We pray God's comfort for your sense of loss; but, we rejoice with you that she has now stepped into her reward in the arms of her Jesus. We were in your position, exactly 2 years ago when we buried Sterling's dad, S. E. at Gentry on July 10th.

Their deaths do truly signal the ending of an era. Now, we are the senior generation. We pray that you can walk into it gracefully with the guidance of our Lord and Saviour, Jesus Christ.

*You will be in our prayers,
Sterling & Betty*

“ *My memories of Myrtle are of a hard-working mother to her children and a welcoming friend to a little girl who liked to go to her home to play with Maribeth.*

She always welcomed me to go home with the family from church on Sunday and enjoy a family meal together.

My prayers are with all of you because I know how I have missed my mother.

Love and Prayers....
