“ To Randy and Nancy's children. I grew up with Nancy, Linda and...much to our embarrassment, "baby" Randy! We thought Bud and Nell were sooo old that they could not possibly remember where babies came from. The Porter household was my home and family almost every weekend, showing me by example what a truly loving family looked like. They welcomed and treated me and my Mother as if we were their own.

My memories of Nancy are many and are now racing through my head and heart at a speed that I can not begin to write them down. Many of these memories, Nancy and I shared over the phone just a couple of weeks ago. We laughed a lot!! In a few days, I will go through my Mom's old pictures. I hope I can find some and if I do, I will share them with you

I always will think of - and love - Nancy as my big sister. I am so glad we re-connected a few months ago and truly hate our lost time. In my heart, I will always cherish the sweet feelings of love I experienced in the Porter home.

I pray God brings peace to your hearts and sweet memories to your minds. I believe Nancy is Home and is happy.
