“ Uncle Jim,
I just found out. I am so sorry. My heart aches for both you and Cory. I wish I had known Aunt Nancy more. I was comfortable around her. She wasn't pretentious and family was very important to her. She had a sweetness in her voice when she spoke of her family. I will keep everyone in my prayers.

Love and miss you so much.

“ Nancy was my oldest sister, my mother and dad worked a lot. Nancy and my sister Thelma took care of me when I was younger. Most of my child memories are of her, sleeping n the same bed with her and her feeding, playing, and just taking care of me. I know it was a hard decision u made, but I will forever be grateful for u. Fly high. And thank u!! I love u forever!!
