“ I met Nancy about this time 10 years ago at a Chamber of Commerce luncheon. We had an instant friendship, and she left a mark on my life. She encouraged me to use my personal experience to impact the lives of others who were served by the Montgomery Womens Center, and so I did. I found out that serving others causes healing in the one who serves. Nancy was a good example of giving of oneself for others. She was beautiful in her compassion. I will miss her.

“ To the Harrington Family,

I worked with Nancy several years ago at the Montgomery County Women's Center. Through my professional organization (IAAP) we made annual contributions to their scholarship fund. Nancy was an incredible woman always doing what she could to assist those in need, she had a heart of gold. She will be missed by many.

“ Laney, my dear, we will miss you. We didn't get to see you very often since you all have grown up, but you were always on our minds. You and Timmy were raised with my four, Terri, Ramon, Charlyn and Marty, so losing you is like losing a member of our family, even after all these years. Rest in peace, sweet girl, we love you, and I feel like you're visiting with your Mom and Dad right now in heaven. Bless you honey.
