“ Nancy Jane Kellar was a lovely lady. I e-mailed her jokes & talked to her on the phone briefly... well, never briefly, but for a brief period of our lives. She did the best that she could for as long as she lived. She spoke fondly of her daughter who will carry on her image.

“ Nancy Jane was a good friend to me, she was nice and always had a smile on her face. She was very sweet and I loved her. It was nice going places with her, her dog Johnny was very sweet because he always loved her and always was happy when someone came in.

“ Nancy Jane was one of the sweetest ladies I have ever met. She spent Thanksgiving and Christmas Eve with our family last year and we have fond memories of her. She was a true friend and someone who really cared about people. She will be missed terribly and we were very lucky to have known and loved her.

“ It is a priviledge to have known Nancy Jane and been with her. She was heroic in her final challenge. She never lost her sense of humor and her beautiful smile. Her beauty lit up the room . God bless and keep you, Nancy Jane.
