“ I am so sorry to hear of Mrs. Lindgren’s passing. She changed my life so many years ago, as a girl entering 4th grade from another state. I was so behind in my lessons. She turned that around real quick. She was so kind, loving, and patient. She built her students up, sent them on their way, ready for success. I will never ever forget what she did for me. I have thought of her often throughout my life. Wishing her blessings. She was an angel on earth. I wish I could tell her thank you. For everything. I will be praying for her loved ones. May God bless you all. 🙏👉

“ I am so sorry to hear of Nancy's passing. I know you all have many good memories to cherish. I started teaching with her in 1980. I admired her ability to run a tight ship. I remember fondly some of our deeper conversations about life and love. I will be out of town on Saturday and am sad to miss her service. Please know that you will be in my prayers during this time.
