“ *I worked in the same building @ OSU with Naomi for 4 years. I was very sorry to hear of her passing. Our deepest condolences to her family. I didn't get to know Naomi very well, but we frequently said hello to one another in passing, and she met our daughters a couple of times when they visited me at work. She would always ask about them. I will remember her as a sweet, soft-spoken woman, who understood the value of just smiling and saying "Hi, how are your daughters doing?" This is a kindness becoming more and more rare it seems. Thank you, Naomi. I will always remember you.*

“ *So sorry to hear that Naomi passed away. I am a classmate of hers. She was able to come to our 50th class reunion and that was the last time I saw her. She was a very sweet person and always kind to everyone. Sorry for your loss.*
