“ *Mrs. Oliver let my kids mow for her many summers and there was not a kinder lady. We were grateful for the job and for the ability to make her yard look good as she was always very good to us. Your life is never the same after your parents are gone. Prayers for all of your family. You were blessed to have her!*

*I lived by Nellie & was blessed to have known her. Even when she was by herself, she cooked 3 meals a day for herself up until she went to live in home. We played cards a few times when I would go over to visit. I missed her when I moved away. She was a blessing to me & others. See you Ms Nellie later.*
