“ Your cousin Twila & family of Oklahoma,
Sending you a mix plant arrangement (dish garden) from local
flower shop, so ya know & It's there to take home. (?)
I wish I could make it there for the service and see everyone, for I'd
like to be able to give y'all hugs, tho not allowed w/ pandemic. But
you are in my heart & thoughts always, even more so now in such
sad loss. Too young, too soon. Nickie will be missed.
Glad for our few special memories we had, as to far away family.
May all your loved ones stay safe & well during this time and most
of all, **STRONG**. Knowing God is always with us, as we do our part,
best we can in a world of woes or where the journey goes, that love
may always flow.

Take Care, Stay Safe, be missing you. Lovin' Hugs, Twila & Family

“ My late husband, Gary Howard, worked with Nickie and they were
on the Decatur Fire Department together. Gary went to church with
Cheryl for many years. I am sure Gary and Nickie are celebrating
together in Heaven with Jesus, preparing a place for us. May the
Lord comfort you in this season of your life.

“ *I first remember Nickie as a very small boy when his parents worked in their grocery store in Decatur. Through the years, our paths crossed many times and I always enjoyed talking to him. My thoughts and prayers are with his family.*

“ *I spent summer vacations with Nick as a teenager frog and sparrow hunting. I can still hear Thelma warning him to “Be careful , you’re gonna shoot someone’s eye out !” He always had stories to tell and I’m sure a few got a little stretched 🤔 He was a good storyteller! Once in a while Byron would get pretty amused and call him out... I’ll miss you Nick, and I look forward to hearing a story about your adventures around his kingdom ❤️*
