“ *Noel was a friend of my late husband, Mike. Mike passed away last June. Noel was pretty shook up when I told him that Mike had passed away. Noel made the handles for Mike's casket and he did an awesome job. Bless his family & friends.
Rest in Peace Noel.*

“ I was so proud to know Noel and Shirley as we worked for several years on Black History Month presentations at Watts School. Noel provided awards for the essay contest. They were wonderful in their support of Grandson, C.J. Jamison, a good student and outstanding athlete. Noel, we know you are resting with Jesus while we labor on! With Love and Respect, Phyllis Hagan

“ I am sorry to hear of Noel's passing. He was one of the best, most trusted employees I ever had. I considered him a good friend, and he would have done anything for me. He will be greatly missed. May God give you grace for the days ahead.

“ I have known Noel for over 13 years. We became acquainted through his welding business. I work for the City of Siloam Springs and Noel came to see me every week with an invoice and a smile. I have enjoyed getting to know him over the years and will truly miss seeing him every week. He always teased me about being a city worker and wanting a job like I had. He always made me smile. His family will be in my thoughts and prayers.

“ CJ & Misty --

If you can picture this, realize that just as Noel was being pulled under by the current, that Jesus (who will never leave us nor forsake us) was with him then too. As Noel was going down, angels lifted him up to go be with Jesus. Noel's ride to heaven required no welding! We truly love you and your wonderful family very much. You are both in our hearts, thoughts, and prayers.

“ Just remembering all the times that Noel used to come into the Hilltop Cafe when we were its managers. Noel loved to give us a hard time about wanting his hamburgers loaded with grease. Ed would just laugh & tell him that greasy burgers were a specialty of other restaurants in SS, but not at the Hilltop! Noel was a lot of fun to be around and we will miss him.
