“ I loved Kay and Family, a story I hope you won't feel it is un appropriate, I worked on cay's automobiles, She told me once she was going to give me diction lessons I was not at pronouncing words, and another time she brought a sheet to put on the seat when I got in here car to try it you might say I was pretty greasy a lot of the time. I wasn't offended I felt good that she still felt good about bringing her car to me to get repaired in spite of that!!! With Love to you all Billy Ira Lovell
