“ *It's been a long time since I saw Sue. She was always bubbly, had a kind word and a wonderful smile for everyone. The world is worse off with her passing but much better for having her blessed our lives. I can only say that the Lord will give you the peace and healing when you ask Him. Time is a reinforcer of the memories of good times and the love Sue shared with each of you. May God in His time and His way give each of you His comfort.*

“ Tommy & family---we are so sorry for your loss. Sue was a wonderful & sweet lady who will be greatly missed by all who knew & loved her. May your memories & God's love bring you peace, comfort & strength at this difficult time. Death leaves a heartache no one can heal BUT love leaves a memory no one can steal.

“ Tom, I've known you and Sue for a long time. We were all kids together, and even though I don't see you very often I consider you a good friend. I'm sorry for your loss. Sue was a great person, and you should feel very blessed to have had a lot of good years together. I wish I could say or do something to help you feel better, but I don't know what that would be. I would like to pray for you. Our Heavenly Father: I lift up Tom and his family. They have had a great loss and are going through a very sad time. Losing Sue has left a big hole in their lives. An emptiness and sadness that is hard to deal with. I pray that they will not dwell on the sadness, but be thankful for all the good times, and love they all shared. I pray that it be You that they will turn to to fill that emptiness, and that they also turn to each other for support. I pray that they will always be aware that no matter how bad things may be, that You are still God Almighty, and that You love us and share our pain, and that You never promised an easy walk, but You do promise to be there to help us through. In the name of Our Lord and Savior Christ Jesus (say with me) Amen.
