“ Earl Chrisman shares memory: Norma and I were classmates at Kansas High School and graduated in spring of 1958. First period of the school day there was time to visit and that is when Norma and I became friends. My cousin Dean approached me to introduce him to a nice girl. At one of the school events that became reality when I introduced Norma to Dean. After graduation Norma and Dean were married and Norma joined Dean stationed in Germany with the army. Norma was loyal and honorable and held strong convictions of right and wrong.. I will miss her. Sincere condolences to her family, Earl and Linda Chrisman
