“ So many fun times and memories with Norma and all the Family. I can remember before Jack and I were even married how I would go to their house along the creek and we just had a ball. I Loved Norma and I am so sorry for the loss of this precious woman. My prayers are with you all and I wish I could be there, but I can't. But know that Norma loved you all and think of the good times. My Love to all of you at this very sad time. Pat

“ Was so saddened to hear of Norma's passing. Enjoyed visiting with her while my dad and aunt was in the Nursing Home. I was Ray and Norma's insurance agent for many years and enjoyed them so much when they would come in to pay there insurance and talk for a while. They were both wonderful wonderful people. You will be missed.

“ So sorry for your loss. So many wonderful memories having Norma and Ray as our neighbors. We had fun with our dogs. We had no idea that our cocker spaniel, Molly, howled the entire time we were gone from the house until Norma told us. We tried everything, but I don't think we ever stopped her from howling. Ray and Norma loved dogs, too, so we shared lots of times with our furry family. She was such a sweet person. We missed our sweet neighbors when we moved away. I know she is experiencing a heavenly reunion and rejoicing with the family there that she is seeing. May God's peace and strength be with you at this time.
