“ Dear Bernice and Family,

Am so sorry to hear of brother Norman's passing. Always thought of you and him over the years - especially the years I was able to send you a bulletin from the congregation in Muskogee that I was their secretary. Enjoyed receiving a note or two from you. May God be with you and all your family during this difficult time and good memories also. I remember you both from my teen years there at the Siloam congregation, the times the church was growing so well here in America.

Brother Norman was a good faithful member of the Lord's church. May others be as good an example to each of us as he was.
