“ Marty and Mark, I just saw your Mom's obituary when logging in to sign the guest book for another friend's parent. I am so sorry for the loss of your Mother. She was a sweet and dear lady that I got to know when she was married to Fred Rush. I would have attended her service had I known. My thoughts and prayers will be with you. I know she will be missed.

Take care,
Ellen

“ Here is a small tribute to that very special person Opal.

O for her overwhelming faith in God. He has been there for her and without Him she could not have been able to move ahead in life.

P for her passion for family. I always remember her concern when family was coming to visit to be sure she had cooked their favorite foods. For Mark, trying new diabetic desserts, for Marty having a big breakfast, for Kelly having hot sauce for her eggs, and for TC always her special box of peanut butter cookies to take with him. Opal liked to cook and was always looking for new recipes much to the dismay of Woody.

A for her acceptance of me. She always made me feel welcome and a part of her family - from the time as a "possible" daughter-in-law, to the time as her daughter-in-law, to now as an "ex". I have always felt her love for me.

L for her laughter and love. Opal liked to laugh and I enjoyed hearing her laughter. Opal loved her family and was always thinking of them and finding ways to show her love to them.

*Opal, I love you and miss you.
