“ My mother, Mary Butler loved her brother. I remember Uncle Sonny coming to our home and playing music and singing. He had a smile and that warm a persons heart and always showed loving affections to us kids. Going to his home in Siloam Springs and playing with my cousins will always be fond memories to our family. Uncle Sonny and Aunt Pauline will always hold a special place in the heart of their sister, their nephews and nieces. We love you, will miss you but know that one day we will all reunite in heaven.

“ My mother, Pauline Shaw treasured her "baby brother." She loved him with all her heart. I know without doubt they both are now strong, healthy and with each other celebrating in Heaven. I will miss my Uncle Sonny and I will always treasure my early childhood memories of him. He will always be in my heart.
