“ *Pam was a powerhouse of positivity and joy. There is a giant hole of silence in the world today. Pammie, I hope you are now with Phil and Phyllis and feeling nothing but air beneath your new wings. I love you.*

“ Pam was a beautiful soul and a great friend to me. Although I hadn't seen her much in the last several years, I still felt close to her and we would chat on fb off and on. My heart breaks for her family and her daughter Sheli. I know Pammie is at home in heaven now with Jesus and that gives me comfort. The family is in my thoughts and prayers. Im choosing the yellow candle for Pam. To me, it represents, sunshine, bright and happy, just like Pam was. I love you my sweet friend.
