“ Steve, I can not begin to tell you of my sadness. Pam was a great friend for 20 years, and the best flipper operator that ever flipped a belt. If I ever had a machine that I couldn't set up she never refused to help me. The time you both had together was special. knowing you both from the beginning of your relationship to the end, I know that in time you will be celebrate your special time together. Although far to short, as the greatest trip of your life. I pray for you and yours. I'am sure Pam is in good hands with our Lord. With much love Mikie
