“ *The funny thing happened on the way to Tulsa with Pat and Kenny. They had just gotten married and I drove their truck with all the just married all over the windows. Ken sat in the passenger side and Pat was in the middle. We stopped in Chouteau to get a hamburger and Ken went inside to order. Everyone who walked in after that was pointing and snickering at Pat and I. We could not figure it out. Finally I looked at Pat who was sitting next to me and yelled. Scoot over Pat. We laughed all the way into Tulsa. We will miss you dearly. Rest well and we will see you in Heaven.
