“ I hate that I was on vacation in New York when this happened! When I got the News i went numb! I shared so many great conversations with Arlene(she loved to talk)Her and I went to meetings in the beginning together. She had alot of knowledge about the program. She was a person that always had a ear, hand, heart to lend to anyone in need, always made sure to be of service! She also helped me with my business. I had coffee many times with her. She always made sure she had the sugar, creamer that I liked available. She will definitely be missed! I loved and respected her way of dealing with passed life experiences. She always talked about her boys....wanting to save money to fly John here to share time with him. My prayers are with her family. Thank you for allowing me to know and love Arlene. I think about her every day! God grant me the serenity...to accept the things I cannot change....courage to change the things I can,,,and the wisdom to know the difference. We lived by this prayer. I know she would hAVE wanted me to share that with you.

“ *Arlene has the kindest heart of anyone I have ever met. It just came natural for her. She has helped me to be a better person. I miss her laughter and wonderful sense of humor. I pray for Vernon and Ester, and her brothers and sisters; especially Randy and her two sons, John and Stephen. Arlene had a personal relationship with God, and prayed and read the Bible to stay close to God. I love and care for her family. Lorene and MY family, who loves Arlene.*
