“ I am saddened to hear of the passing of my sister, Pat. Though it has been over 20 years since we were last together, in California, she was in my memories and always will be.
My best to her husband, Carl Lee and their children.

“ I just learned of the passing of and I am heart broken. She was an incredibly kind and sweet woman. She was always a mother figure type when I started working at Callahan's when I was 16 and she never stopped. When I started cosmetology school and went to Callahan's to see if I could work there again while attending school, she added me in even though they weren't hiring anyone. I tried to argue with her not to do that but she told me to hush because she was going to make room for me. Then when my brother passed away she cried with me in the office and told me to take all the time I needed. She collected a fund for the family for my brother's funeral and even 3 years later when my mom passed and I wasn't working there anymore. Every time I ran into her in town she would always stop and talk, give me a hug and leave me telling me how beautiful I was and how good it was to see me. She was truly a beautiful soul and will be deeply missed. There really aren't enough words to describe how good of a person she really was. Prayers of comfort for the family!
