“ I could see this being very beneficial in today's misaberle job market. This is such a simple idea, yet so innovative. It's surprising that they appear to be the only company in the industry to offer this service. I'd definitely take advantage of this if I wasn't already happily employed.

“ Pat was the dearest "little sister" anyone could have had. She loved her big brother so much and always made Roy smile. We will both miss her positive, "up-beat" attitudes toward life. She will be an inspiration to us to meet each of life's hard spots with a smile and a prayer.

As a Grandmother, Pat was their greatest cheerleader and loved them dearly. She was there for Connie and Luke anytime they needed her.

I am praying for comfort to Archie and Shawn and all the family in the precious memories of wonderful times they spent with Pat.

“ So very sorry to hear about Pat. My thoughts are with you all. She was just a good person and I know she will be missed. I will never forget her and Archie attending my sister's funeral in Alabama. It was so good to see them and we all really appreciated them being there. Sorry I am unable to be with you all during this terrible time.

“ I just found out about the death of my dear cousin. We had many fun years in Oklahoma. I will miss her greatly, but I will also look to see her again in heaven. I know she is with her daughter Connie, and her parents Olive and Roy Rains. She also has many aunts and uncles, one them being my dad, and her grandparents. My prayers of peace and comfort are with Archie, Shawn and her brother. All my love and sympathy.

“ I was very sad to hear of Pats passing. Pat was a very special lady and friend. I remember when Pat started working at Wal-Mart. She always had a smile and a kind word for all that came into contact with her. I got to know Pat because she worked the Customer Service Desk with me many times. Even after I left Wal-Mart she always made sure she spoke to me and we would stand and catch up when possible. I pray that God be with you her family as you start this next chapter of your life and may you all hold dear the memories that you have of Pat. Lean on each other but most of all lean on God. Pat will be missed by many and I hope to see her again someday on the other side of heaven. God bless you each and everyone!

Love to you all.
