“ My daughter and I moved into a house on our own in 2009, shortly after Tyler and some of his friends became our neighbors on the back side of our duplex. They were always so sweet to me and Erin. Tyler made Erin laugh a lot at a time in her life when not much did, I will forever be thankful to him for that.

Shelly I cannot even imagine your pain, but you are amazing and there is a bunch of us loving up on you and your family right now through prayer. May God bless you and your family through this time and help you come to understanding.
