“ Pat you will be missed by so many people on whom you have touched in your life.

*I know you have helped our family by just coming by and seeing my mother. You helped with my son, Micheal while he was growing up and getting him to realize that he needs to think about his choices in life. You were the father and grandfather figure in his life during that time of his life. You always listened to him plus taught him to drive on the dirt roads.*

*When my mom, Marian Reed needed someone to talk to about her life you were there for her. You made her days better by bringing those little flowers or plants by to cheer her up.*

*Thank you for being in our family lives. I know that you will be with Lois now and playing those card games. You will always be in our hearts. Rest easy now my friend.*

*Love you always.*

*Sarah Beckner, Mike Evans, Kelly Aquirre, Thomas Brown and family.*

“ I would like for people to know. That pat had such a big heart. I took care of him and looked out for him for the last 6 years. And we got the talking got real close. He was like a dad to me. He's one of those people that you know is going to Heaven. He is with his wife Lois. Now. Finally that he missed so much. We got to talk about what he wanted at the end. In one of those things was that he got to hold his wife again and never have to let go. He will be missed for my family. He tried to me there to celebrate Christmas,thanksgiving his birthday. He is happy now. He had a few charities that he cared for and wanted to make sure that he would rather you send in his memory.Do you Saint jude and to the children's hospital. He said the flowers would just die. the money sent to those charities. Would help kids that need help.

“ Pat and I, along with his brother, Mike, and our aunt Chris, were raised by our grandma (Chris's mom) during the day while our moms worked. I have such fond memories of Pat. I liked to prank girls who called asking for him, saying I was his girlfriend. He was like a big brother to me.

“ Patrick was one in a million!! He was kind, had a great sense of humor, and one of the best people I’ve ever met. I always enjoyed our conversations and his stories of stunts he pulled when he was young:) He loved Lois so much and I’m happy that he is with her and his struggles are over. I sure will miss him.

“ Pat and Lois came to Glen Rock, NJ one Christmas time, must have been around 1980. I remember Pat down on all fours giving rides to his grand nephews and nieces. A few years ago, Dave and I (Lilla) went South to visit family and firends. Coming home with Ron and Linda, we got a call from Pat saying that he was on their doorstep. Sure enough, he had come in his trailer with his little dog. And a few days later when we were with Ginny and Phil, Pat joined us there. Great little family reunion.
