“ *Aunt Patsy remained one of the most beautiful people I ever knew right up until she slipped away to be with her family in heaven. I admired her wisdom as a youngster growing up and always looked forward to our visits in Oregon and California. We had planned to get together for a long visit this past summer before I changed jobs and ended up without vacation time. I am so sorry I was not able to make that trip. My thoughts are with you and your family now and I pray that your cherished memories of her will warm your hearts and bring smiles to your lips as you think back to the times when she laughed and loved, and worked her magic in your lives. Family was always number one in Aunt Patsy's life and I will never forget her. Thank you so much for posting this video memory. It is excellent. Joel and Valerie, I live in Mississippi now near my daughter Paula, her husband Jim and their four children. I hope someday we will see each other again and our families will have the pleasure of getting to know one another. God bless and comfort you and your family.*

“ *Patsy will be greatly missed in the neighborhood. She contributed to making it a good place to live. She was always willing to help those around her.*

I can cite a recent example of what I shared above. She knocked on our door to make sure that we saw a unique eclipse. She was a teacher at heart.

“ *Dear Joe & Val,*

So deeply sorry to hear about the death of your mother. I got to speak with her about 3 months ago at the Dairyette not knowing that she was your mom. She shared with me about her struggle and I felt so deeply greived by her story as my Daddy had cancer complicated by a stroke. My Daddy died just before Thanksgiving at the Circle of Life Hospice. Such a wonderful place to complete the last days!!! Our hearts are with you as you go through this difficult time but as you both know, God is still good!!!!

*Fondly,

“ Back when I first returned to real estate in 2001, your Mother had invited me out to consider selling her home and land. We had a long visit in which I found your Mother very interesting. Think I talked myself out of that listing as she seemed happy there and had so many good memories. I'm glad that I took the time to just visit. Just wanted you to know that I understand the loss of a Mother. It's been 9 1/2 years since I lost my Mother -- God gives you peace and comfort -- my prayer for you and your family is that in time, may you find peace and comfort in the good memories. /Nora
