“ *Diana, David & Families,
We were so sorry to hear of Patsy's passing. We shared some good times with Melvin & Patsy in our younger days at Fairmount. In fact, I think they were responsible for organizing our chivoree when we got married. We know you are going to miss her greatly. May God give you comfort & strength now and in the days to come.*

“ I am so sorry for your loss. Patsy was a part of our lives for a very long time. Our parents and other loved ones are gone before. Ken, Margaret and Wayne, Melvin and now Patsy leave a big hole in the neighborhood. She will be missed.

“ I sincerely offer my condolences to the family. We have been neighbors for all my 60 plus years. It seems like we have lost a member of our own family. From childhood I remember ice cream socials at the Pattersons. I remember working together and playing together. Patsy was always there for the Cemetery Association and for years we spent a few extra minutes at the polling place when they were the election board for Felker. Again, I have the fondest of memories of Patsy.

“ James,

I'm sorry for the loss of your grandmother. She must have been a special lady because I know one of her grandsons is special. I'm glad she had a long life so your children and Angie also got to know her.
