“ My condolences go out to the family. My fondest memory of Patsy (Pat) is working with her at both the Phillip 66 Station and Mckee in Gentry. Pat was a fireball and didn't hold back her feelings. We were recently laughing about her Blessing my heart as I thought it was a good thing and then I found out the real meaning, Lol... we had a much better understanding of each other as we chatted at Mckee. RIP Pat, you will be greatly missed. 🙏❤️
