“ Viola,

I just read of Patti's death. I am so very sorry. I feel like I knew Patti through Mama and Mimi. I know it was hard on your family doing the things necessary in taking care of Patti, but I know it was harder to have her leave you. However, she is without any problems now that she is in heaven with God. May God be with you and Harold in living without her.

“ I was blessed to know Patty through volunteering with Richardson Center Special Olympics Program. My daughter Katie also works at the Richardson Center Life Skills Facility. I was on Patty's bowling team for the Summer Leagues at Springdale Bowling Alley and enjoyed Patty and her wonderful sense of humor. She was always telling me I was funny or someone else was funny. Katie and I will miss her. My thoughts and prayers are with her family. We love and miss you Patty.
