“ *My thoughts and prayers are with you during this huge loss and time of sadness. Paul was such a great friend to me. I always enjoyed our visits and our cups of coffee together. And of course the orange suckers. He said you lick that side, I'll lick this side. And then he would hand me my own as we ate suckers and drank coffee ☺ We had the best laughs and I'm sure gonna miss him. Until we meet again friend.*

“ *We are so sorry for your loss. May your memories & God's love bring you peace, comfort & strength at this difficult time. Death leaves a heartache no one can heal but LOVE leaves a memory no one can steal. Death takes the body. God takes the soul. Our mind holds the memories. Our heart keeps the love. Our faith lets us know we will meet again.*

“ I am so very sorry to hear of Paul's passing. He was a one of a kind guy and was always so sweet and caring towards me, Bruce and Mason. When Bruce passed Bader was at my house every day to make certain we did not need anything. He went to the cemetery to setup a little memorial. Paul would stop to see Mason at work when he was at AT&T, just to catch up with him. He did all this because that is what Paul did, he took care of people.
