“ *Bonnie, Jim and I want you to know how much Paul meant to us. We will always remember him. I want you to know that from the first day we met in Little Rock, for work, we hit if off. We started laughing that day and continued until April 17, 2012. I was so happy to spend time with him. I will try and keep his memory alive at XNA. I want you to know that having him in my life as made me a happier and better person. Maybe this is my reason for being in Ar. I always laughed when he called me "Sharon Jean" and he laughed when I called him my "boy" friend. Man friend just didn't sound right. If Jim and I can do anything for you, please let us know. We want to stay in touch with you.*

*Sincerely,
Sharon & Jim*

“ Bonnie, please know that Paul will be missed here at XNA. But I want to let you know that I will miss him greatly. We started the same day and he has been a great friend. That's why I always called him my "boy" friend. I am proud to say that he made a difference in my life and made work a happier place for me. I will always remember him and keep his memory alive. If there is anything Jim and I can do for you. Please let us know. And just give us a call if you want to talk. We will keep you in our prayers.

“ Bonnie and Lynn,
May God give you peace and comfort during this trying time. It seems Paul went down hill so quickly and yet I know he has been sick for such a very long time.
We are thinking and praying for you!
