“ *To the family: I would like to share a memory that I have of Paul. When Paul was working at Jet Stream Plastics, he was my father's (Maurice Hendren)'s supervisor. Dad was in the hospital in Siloam for some reason, and dad decided that he was ready to get out....with or without the drs. approval/permission. Well, dad being the person he was, he "escaped" from the hospital, in the middle of the night. Guess who's doorstep he wound up on at 3:00a.m.????? Yes, Pauls. To say the least, he brought dad home to Colcord pretty quick. Considering that all of Siloam police department was looking for my dad. Anyway....may God comfort you in your loss.*
