“ I am so sorry to hear about your Mother. I know she hadn't been well for years but that doesn't make it any easier to lose her. I'll always remember scalding and plucking chickens with her when I first got pregnant with Jennifer. I was so sick. And she always had her little bottles of coke in the refrigerator. I've had many memories lately. Mom ran across a bunch of my pictures of you and gave them to Jennifer. She keeps them up on her tv. A large Sr.picture, and a picture of you in your uniform. I'm sorry that I'm rambling, just a lot of memories. It's hard to imagine both of your parents gone and my dad. Also that we have a daughter that is going to be 38 yrs. old! Just know that I'm so sorry for your loss and that your Mother loved you dearly! Remember the good times in our lives, we're growing old fast!
Love always,
Roma
