“ *When we first moved to Colcord we were neighbors of Vernon and Pearl. I remember walking up the hill, as a family, and spending evenings with them. Pearl almost always had cookies or cake for me and my sisters to enjoy, and she enjoyed "bragging" about you kids. Occasionally we would all sing while Vernon played his guitar. They were wonderful neighbors and great examples of Christ's love. She will missed by so many, but i will always cherish the memories I have of her. God is faithful and will continue to lift you up during this dark time. Ann (Teel) Smythe daughter of George & Monta Rae Teel*

“ Deloris, David, Verna and families, Know that God is reaching out with His love and strength to assure and uphold you during this time of sadness. I pray He will comfort you as only He can. Pearl was such a great example for me especially during my childhood of a great Godly woman. You can almost hear her laughter and praises now that she has reached her Heavenly home.

“ I was sorry to hear of Pearls passing.  
I think I am related to Pearl in some way; My Father was Everett Beck. My Mom was Dorothy Beck.  
When we were little kids, we used to take our vacations on the Illinois River. I remember visiting Pearl and Vernon.  
My Dad, Everett Beck, passed away in April 2011. My Mom, Dorothy, passed away in January of 2006.  
Maybe some of the family remembers them. I am the oldest daughter.  
I believe and Pearl, Vernon, Mom and Dad and all the other family members that have passed on are all having a reunion in heaven about now!  
Love and condolences to your family.

“ *With Deepest Sympathy - "It's the little things, the small, everyday occurrences that you'll remember. The laughs, the stories, the smiles. And even though it seems like you can never recover from your loss, it is these very memories that will help push the pain away and bring back the smiles". May your memories give you strength. Pearl will be truly missed! She was the sweetest lady - always with a smile and taking the time to talk a bit. “ I loved Aunt Pearl.... One of my most memorable moments was when I was about 12 years old. Verna and I had "tried" to make hot chocolate - the old fashion way - and burnt the pan to a crisp, then hid it under the cabinet. At a family gathering, my dad found out and was going to scold me, but Pearl just laughed and said it was fine. Whew, saved by that kind soul, my Aunt Pearl. I will miss the gravelly voice and that famous "Pearl" giggle. Our heavenly friends and family are now blessed with her "homecoming" and God is saying, "Though good and faithful servant, welcome home" Praise the Lord she is no longer in pain.  
Love you all, Lavonda and Ed

“ Feeling grateful Aunt Pearl is no longer in pain, having a fantastic homecoming, moving into her mansion that took a bit long to build, visiting all those who have gone before her, and seeing with her own eyes our Lord and Savior. The whole idea of heaven is such a comfort, but those of us left behind can't help but feel the sadness of now missing someone so loved. Thanks for the memories Aunt Pearl and for the example of holding onto and living out our faith to the end. Lord, please hold the family close and fill them with your peace.
