“ Miss Peggy was a very beautiful soul. She touched many lives, even the ones who have only known her for a short period of time. I'll never forget the trip to Oklahoma City Miss Peggy, Michael and I done to get her sister at the airport. She taught me patience and was one of the few people who you could just sit and have a conversation with. My thoughts and prayers for the family. She's comfortable now and watching over all of us.

*Michael, Michelle, I love you guys and if I can help in any way I can, Let me know. I'll lend you a shoulder or a ear.*
