“Peggy and Nick, were one of the first couples to welcome me to Gentry UMC when I married and moved there. She was always shaking her head about something, mostly Nick. She was famous for her pies and shared her sugar free collection with me, I know that she will be missed by all. Rest in Peace with your family, you will be missed,

“We never go thru Gentry that we don't think of Nick and Peggy. They were wonderful friends and will always be missed. Peggy was a very special person, thoughtful and kind. She is resting with her family who meant so much to her.

*Much love to Holly from Jim & Linda Howell*

“I knew Peggy when we lived in Gentry in 1996-97 while we were building a house. We would often see her and her husband working in their beautiful yard. I used to visit with Peggy when I'd see her at Walmart. Lovely lady.

“ Peggy and Nick were our neighbors on Parks Circle. She was one special lady and I am very sorry for your loss Holly. Try to stay strong like your Grandmother was, and know God loves you!

“ A fine woman, good friend and caregiver. She had to have a sense of humor putting up with Terry and Nick's shenanigans. We are glad they are all together again and watching over Holly. She will be missed but always in our hearts. Holly, we know you will miss her tremendously. With love, Lana and Dana

“ We are praying for the comfort of all the family of Peggy's. She was a wonderful lady and has served the Lord and earned her right to now be celebrating her new life in Heaven with so many who loved her and the Lord. She was a blessing to all who knew her. We are thankful to have known her. May God bless and keep each of you.

“ Such a wonderful person and neighbor. Growing up on Parks Circle for the last 30 some years she and Nick were a constant reminder of what good neighbors are. Kind, friendly and honest. Not once can I recall not seeing Peggy, whether it be outside or walking by or out in town where I didn't receive a friendly hello or a kind wave. My first memory of her was when She and Nick built there house on Parks Circle. It was built on a lot where we as kids would play Baseball. Peggy was aware of this and always went out of her way to laugh and joke and even apologize for taking away our ballfield lol. She will truly be missed. If the family needs anything. I live in Leo's (another great neighbor) old house right across the street.

Peggy was a sweet lady that I loved and went to church with when I lived in Gentry. The Guthrie was a family you knew of if you lived in Gentry. Nick use to tease me all the time and Peggy and I would laugh. Use to drop by some and visit with them also. Peggy was a devoted church member also. She will be missed tremendously. Prayers to the family especially Holly and John. Love y'all.
