“ *Uncle Pete was one of the most humble men I ever knew and had a heart of gold. I honestly believe that my Uncle Pete just went a running toward his Saviour when he called him home. If it takes a good, God loving, humble man to make it to Heaven, then I know my Uncle Pete certainly has gone on and will be watching for the rest of us. He will certainly be missed by all, especially my Mama, my sister, Bonita, and my cousin, Geraldine.....*

“ Dear Uncle Pete,
I know that you are in Heaven with God and are enjoying yourself immensley. I hope it is all you hoped it would be and then some. As for here, I miss you and will also miss our weekly phone calls. I will miss going for a milk shake and eating out when I was there visiting with you and laughing. I remember when John ask you what kind of pie was your favorite and you said "any kind I can get". You have been a very sweet beloved Uncle to me and I have many memories of our conversations. I have your picture here before me and it is like I am standing there with, which in some pictures I am.
Of course I feel that you have left too soon but God had other plans for you and I just want you to know that I love you dearly and you will not be forgotten.
When we said goodbye on the phone I will always remember you saying "I love you and God both." I answered" and I love you and God both". Until we meet in heaven I love you and God both, Uncle Pete.
Love, Your niece,
Gerry
