“ *Mr. Ralph, you were such a hard worker up to the last few days you were at Walmart with us. First time I met you while working I said why put him in that heavy pop and water area? Let a young strong man do that. The managers said no ralph wants to work this area! You were always an interesting person to talk to and your stories of your childhood were interesting to listen to while on breaks. You can go rest now Mr. Ralph because you worked so hard here on Earth. God bless you and your family!*
