“ *Tabby was a special person and I recall how very much she loved her family. Although the pain of her loss is great, it will be softened over time by all of the good memories. My heart goes out to her family and I hope they find comfort from their sorrow - I know that she will be missed so much.*

“ I was in Michigan calling home to check on everyone and was told that Ramona had passed away. We too lost a very close cousin while there and it has been hard, but we are taking comfort knowing that our loved ones are no longer in pain and when we cry, we are actually crying for ourselves and our loss, but yet rejoicing for them. I have a lot of special memories of Ramona taking such pride in her home and family. I can remember EVERY year looking forward to Christmas and driving by her home and even when i had my children, and taking them by there to see all the beautiful lights and decorations. Same goes with all the Halloween decorations. How she would love to be watching the kids when they came to the door to get their treats. She will always be such a wonderful dear sweet lady in my heart and we will miss her. Please know that you are in our thoughts and prayers and if ever you need anything, please call. We are just around the corner. Love to each of you--Jerri (Ethridge) and guys--Mike, Tim and Craig

“ My deepest sympathy to all of you on the loss of Tabby. I know you will remember all the good times and smiles you shared with her. Take comfort in knowing how very much she loved her family. I'm so sorry. I know when you lose a loved one how very hard it is. Time will help heal the wound, but it will never replace the loss. God bless each of you. Love, Loree
