“ *Randall was so manly yet such a gentle soul. We got to know him mowing and caring for our yard. Bill is super picky but Randall did it to perfection. He took care of our dogs and loved them like his own. Can't tell you the times he came to my rescue flat tire, dead battery chauffeured to and from airport.. He got to be part of our family. The boys called him Uncle Randall !We love you Randall ❤️ Till we meet again. Jennie we love you too. If you need anything we are here for you.*
