“ So sorry to hear Randall passed away. Wow, the first memory that came to mind was "Randall's laugh". I was quite small at the time we lived in Alaska but I do remember Randall's sense of humor and his great love of family. He and Doris were always joking around and hugging eachother. It was always wonderful to be invited to Ramsey's house because there was always food, laughter and love. Thanks for the memories. Love, Anita

*We were so sorry to hear of his passing. We learned about it too late to attend the service. We have many happy memories of Randall and Doris. They loved sports, music, and family. We shared many things in common. Good friendships last forever.*

“ To the Family: I will never forget all of the fun times that I have had with this family... He treated me like I was one of his kids and always there for us. He was the most caring, giving person that I have ever since. No matter what the circumstance was he was always friendly and had a smile and "BIG" hug for you.  
Diny & Bootie: I am so sorry for your loss and can't take the hurt away but it is a blessing to know that he is no longer suffering and in peace now with my Nanny Doris which I adored...!! If you ever need anything, you know where I am....My prayers are with you all at this time of sorrow. Love you guys!!
