“ To Joyce, Olnie and Maxine:

I was so shocked to see Randy's obituary in the paper. I know we've not really 'kept-in-touch' over the years - but there was a time we were close. I will never forget you coming over and bringing Randy and David to play with Jaleta and Coy. Also, they had a good time playing while we were having some 'good games of cards'. I'll never forget the time Coy outgrew his little 'red cowboy boots' and we gave them to David he was so proud of them and would really step high when he first put them on.

So sorry to hear about Randy. God bless you all.

“ I want to express to Joyce and Olnie the sorrow they must be experiencing. I have fond memories of Randy and I am sure he loved his children very much.
He will not feel any more pain again.
Rejoice his new life, and know he is where we want to be someday!
I love you guys after all these years!
I'm here for ya" Love Doris

“ *Just heard about Randy this evening and I am very sorry for your loss. I only knew him from church, but I can say that he was VERY proud of his kids and he was always asking the church to pray for his children. May God give you comfort and peace at this time.*
