“ I worked with Mr. Randy at Quest Transportation. He was a wonderful friend to me from day one. He always treated all his co-workers to Waffles House for coffee and breakfast. He was always friendly and always had an amazing personality. He will be truly missed.

“ *Randy was a very special person, always caring, always concerned about other folks and what he could do to help. He was a hard worker and willing to do what it took to get our clients to and from their apt and out clients loved his kind and caring nature. I got to know Randy when he started working for Quest Transportation. (I am the Drivers Scheduling coordinator). He would be the highlight of my day when he would call and say, "Just checking on you girl". We had many "phone tutorials" as he would tell me he just had trouble with technology, and we would laugh as I tried to get him through what he was trying to do on his phone. He was always willing to work over or come in early and do what he could to make my job easier. We got so tickled at him when he sent each dispatcher in the office a "sweet" box - (Little Debbie) and said we needed something sweet because we work so hard. This was typical of Randy. All of his Quest family will miss him greatly and send many prayers and condolences to all of his family. He will be greatly missed!!*

“ Randy was the kindest most generous man. I've been seeing him for 3 or 4 years now. Heartbreaking to think he's gone. He always wanted to take care of me , his friends and always his family that he loved with all his heart . He's with God now and in no more pain. Will be greatly missed.
