“ *Resa was my first friend in elementary school. Even after 45 years, the memory of her bright blue eyes, and beautiful smile are as vivid as ever. I only knew her for a short time during childhood, but she made an impression on me that will last a lifetime. I'm certain that she was a blessing to all who had the privilege of knowing her. Rest in peace, Resa.*

You have a special sparkle about you and even the last time I saw you you still had that special sparkle in those pretty blue eyes. You never lost your sparkle. I'm blessed to know you.*

“ *I will never forget the love Resa, Rhonda and Mardel showed me after the lose of my mother. They took me to Branson with them for the Christmas show and a much needed rest. On the way, Rhonda had a headache and called Resa (Rhonda and Frank were behind us in another car), the first thing I know Resa is praying and praising God that the headache would be gone!!! Such a beautiful prayer and when we got to Branson---Rhonda did not have the headache!! Such a prayer warrior, such an awesome person!!! So glad I had the honor to know Resa and know that she is how in the arms of God---no more pain!!!! God Bless the family and give them the comfort that only you can do.*

“ Resa and I worked together at Daisy Mfg. and we turned it upside down many many years ago. She was a very special friend, and even though we had not stayed in touch over the years, we reconnected a few months ago. So very sorry for this loss for her family and daughter.
