“ Cheri and Tony, I was very sorry to read about your mother's passing. Please know that you are in my thoughts and prayers. Haven't seen either of you in almost 40 years but do recall often and fondly our high school times together.

“ We will miss you Aunt Reva!
Thanks for teaching us when kids how to laugh from the heart, to respect God's graceful creature the horse, how to dance a few simple tap steps, and that even getting a bowl haircut from your Dad could be fun.

Most of all, thank you and Uncle CB for showing our family with 63+ years of marriage that the Love of God in your heart, and a laugh on your lips, you could look at life with a smile and keep falling in love day to day to remain a happily married couple!

You have always had our love,

“ C.B., Cheri and Tony,
I was saddened to hear of the death of Reva. For her, I am happy. For you all, I know it's tough, but from what you had told me the last time we talked C.B., her quality of life was almost non existant. I pray God comfort you in your loss.

“ *Reva was so important to our riding club. When we needed to know something from the past she was the first one to call. She remembered so many things and we will miss her so much. Her countless hours of work and effort were always appreciated. Our thoughts and prayers go out to you C.B., Tony and Cheri.*
